Itinerary

We begin to pick you at the Lodge or camp. This will be handled by our consultants by specific time to ensure that arrival at our launch area by approximately 6 am. This will give you time to enjoy coffee and tea with homemade cookies. A mobile toilet/sink and free Wi-Fi to use at your disposal. During this time, the pilot will give brief instruction for the safety measure and landing procedure.

Boarding will commence at 6:30 am.

There are two types of boarding procedures; the basket will be laid sideways or stand-up right.

After elevate from the ground, it is probable you will witness a magnificent African Sunrise.

During the flight, you will discover birds at Serengeti. The Pilot will make Valliant attempts to spot the game for you even lower the balloon to allow you the opportunity to view better. He may raise the balloon for improved speeds/direction as well as breathtaking views.

Enjoy tranquility as the balloon glides;

every little sound is amplified. Hot coffee/tea and cookies continue to be served during the flight. Which usually last around 1 hour, give or take 15 minutes
